Open Angle	0-270°
Package	50pcs/knit bag
Applications	Kitchen, Bathroom, Home Office, Storage & Closet, Furniture, Explosion-proof cabinet, Fire hydrant, Mailbox, Dressing cabinet door, Mirror cabinet door

Product Description

Our 304 stainless steel hydraulic hinge is designed for soft close doors in high-end custom wardrobes and furniture. The piano hinge design evenly distributes weight for smooth operation, even with large, heavy doors up to 2 meters in height.

The durable 304 stainless steel construction ensures long-term performance without loosening or deformation, even with frequent use. The minimalist design provides both functional strength and aesthetic appeal.

Key Features

Superior Load Capacity: Designed to support heavy cabinet doors and industrial panels

Optimal Length: 508mm size provides stable support across the entire door span

Wide Opening Angle: 270° range for flexible installation options

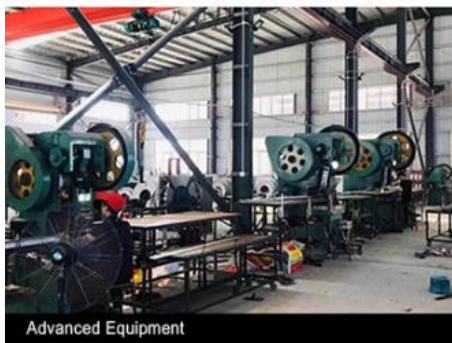

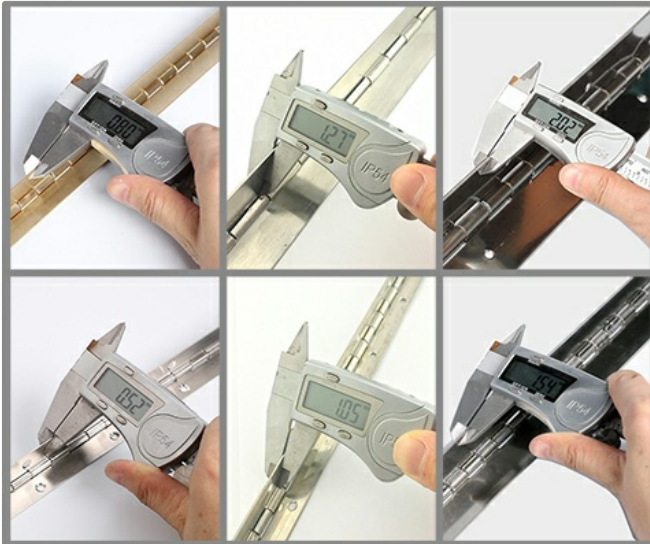

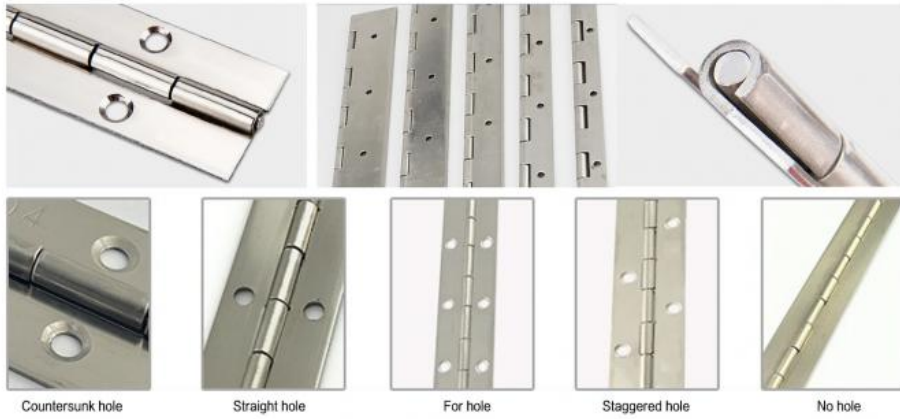

Corrosion Resistant: 304 stainless steel construction withstands moisture and wear

Smooth Operation: Hydraulic mechanism ensures quiet, soft closing action

Technical Specifications

Material	Stainless steel 304
Size	508*50*1.5mm
Pin Diameter	3.0mm
Package	50pcs/knit bag
