

## Mechanical Hand Plate Punch Manual Press Machine for Workshops 2.1 Ton Small Puncher

Our Product Introduction

for more products please visit us on [aluminium-hardware.com](http://aluminium-hardware.com)

### Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: T/T
- Supply Ability: 3000000pcs/mon

### Product Specification

- Condition: New
- Applicable Industries: Building Material Shops, Machinery Repair Shops, Manufacturing Plant, Retail, Construction Works
- Showroom Location: None
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Marketing Type: Ordinary Product
- Warranty Of Core Components: 1 Year
- Core Components: Bearing, Motor, PLC
- Voltage: 220v
- Weight: 2 Kg, 2.0 Kg (4.4 Lb)
- Warranty: 6 Months
- Production Capacity: 50 Sets/month
- Power: 1000

Product Description

## Mechanical Hand Plate Punch Manual Press Machine for Workshops 2.1 Ton Small Puncher

### Key Features

- 2.1 ton punching capacity for aluminum and other materials
- Compact and portable manual operation design
- Precision punching for workshop applications
- Simple operation with reliable performance
- Cost-effective solution for small-scale production

### Technical Specifications

Attribute	Value
Type	Mechanical Hand Plate Punch
Capacity	2.1 ton (2.2mm thick Aluminium), 1.6 ton (2.0mm thick Mild Steel), 980kg (1.5mm thick Stainless Steel)
Punched Hole Diameter	6×30 mm
Holes Distance	Adjustable (<40mm)
Length	330 mm (13.0 in.)
Weight	2.0-3.0 kg depending on capacity
Air Consumption	5 CFM @ 90PSI
Stroke	13 mm (1/2")
Warranty	6 Months (1 Year for core components)

### Product Description

This compact Mechanical Hand Plate Punch Manual Press Machine delivers 2.1 tons of punching force for workshop applications. Designed for manual operation, it provides precise punching of aluminum, mild steel, and stainless steel materials. The machine's simple design ensures reliable performance for small-scale production and repair work, offering a cost-effective solution for various punching needs.

### Packaging & Delivery

Standard export packaging in carton box. Custom packaging options available upon request.

## Manufacturer Information

Foshan Xuanqing Zhilian Technology Co., LTD. specializes in manufacturing door and window accessories including aluminum corner codes and related components. With over ten years of industry experience, the company holds multiple patents and complies with national quality standards. Products are exported to European and American markets.
