Company Profile

Foshan Xuanqing Door and Window Accessories Co., Ltd. specializes in door and window accessories manufacturing with expertise in aluminum corner code customization. As an innovative enterprise integrating R&D, manufacturing, and sales, we offer comprehensive solutions including:

- Various injection corner codes (expansion, center column, pin, bump)
- Specialty corner codes (very narrow, non-injection, movable, universal)
- Complementary hardware (anti-fall devices, elevators, hinges, curtain wall pendants)

With over twenty patented products meeting national standards, we serve both domestic and international markets (Europe, America) with our commitment to quality, innovation, and integrity.
