Company Profile

Foshan Xuanqing Door and Window Accessories Co., Ltd. specializes in aluminum corner joint customization with 12 years of manufacturing experience. Our product range includes various types of corner joints, anti-fall devices, elevators, hinges, and curtain wall pendants.

We hold multiple patents and our products meet national quality standards. Our development philosophy focuses on integrity management and win-win cooperation, serving both domestic and international markets.

Frequently Asked Questions

1. Is your company a factory or a trading company?

We are a factory established in 2014.

2. How can I get samples to check your quality?

After price confirmation, we provide samples for quality checking. Blank samples are free (customer pays delivery).

3. How long does production take?

3-10 days for standard items, about 15 days for custom molded products.

4. How does your factory ensure quality?

We implement strict quality control from production through final inspection before packing.
