

## Modern Design Home Office Aluminum Corner Joint for Durable Casement Windows and Doors

### Our Product Introduction

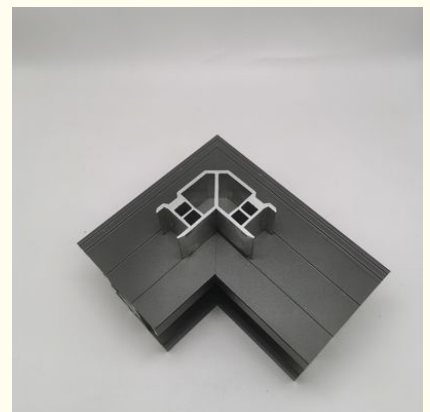

#### Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: T/T
- Supply Ability: 3000000pcs/mon

#### Product Specification

- Warranty: 3 Years
- After-sale Service: Online Technical Support, Onsite Training, Onsite Inspection, Free Spare Parts, Return And Replacement
- Project Solution Capability: Graphic Design, Total Solution For Projects
- Application: Hotel, home, office
- Design Style: Modern
- Type: N/M
- Product Name: Aluminum Corner Joint
- Material: 6063-T5 Primary Aluminum
- Color: Primary Colors
- Usage Scenarios: Aluminum Profile Doors And Windows
- Function: Connecting The Corner Of The Door Or Window Spelling
- Feature: Durable And Solid
- Packing: Carton Box

Product Description

Modern Design Home Office Aluminum Corner Joint

Durable Corner Joint for Casement Windows and Doors

This modern aluminum corner joint is precision-engineered for durable casement windows and doors. Its contemporary design blends seamlessly into home and office environments while providing exceptional structural integrity. Constructed from 6063-T5 primary aluminum, it offers lightweight durability with excellent resistance to corrosion and wear.

Key Features

- Modern, sleek design suitable for contemporary spaces
- 6063-T5 primary aluminum construction for durability
- Corrosion and rust resistant for long-term performance
- Precision manufacturing ensures perfect fit and smooth operation
- Easy installation saves time during setup
- Supports mold customization for specific requirements
