

Black Or Silver Mid Clamp End Clamp Kit For Solar Panel Mounting On Ground

Our Product Introduction

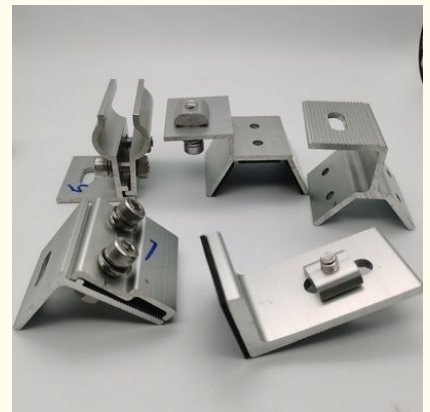

Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Model Number: Roof Clamp, carport clamp, ground brackets clamp
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: TT
- Supply Ability: 3000000pcs/mon

Product Specification

- Warranty: 1 Year
- After-sale Service: Online Technical Support
- Project Solution Capability: Graphic Design, Cross Categories Consolidation
- Application: Apartment
- Design Style: Modern
- Type: Solar Panel Mounting Aluminum Rail Connector
- Highlight: Solar Panel Mounting End Clamp Kit, Solar Panel Ground Mounting Mid Clamp, Solar Panel End Clamp Kit

Product Description

Black Or Silver Mid Clamp End Clamp Kit For Solar Panel Mounting On Ground

Product Specifications

Attribute	Value
Warranty	1 Year
After-sale Service	Online technical support
Project Solution Capability	Graphic design, Cross Categories Consolidation
Application	Apartment
Design Style	Modern
Type	Solar Panel Mounting Aluminum Rail Connector

Product Description

The Black or Silver Mid Clamp End Clamp Kit is an essential accessory for ground-mounted solar panel installations. With a sleek black or silver finish, these clamps provide both functionality and aesthetic appeal to your solar setup. Crafted from high-quality materials, the kit ensures durability and long-term performance in securing solar panels against wind, vibrations, and environmental factors.

Key Features

- Available in black and silver finishes
- Durable construction for long-lasting performance
- Securely mounts solar panels on ground installations
- Easy installation with included hardware and instructions
- Compatible with various solar panel sizes and types
- Supports mold customization for specific requirements

Component Specifications

Accessory	Function	Features
Rail	Support and fix solar panels	High strength and corrosion resistance
Mid clamp	Connect and fix solar panels	Aluminum alloy construction for stability
Solar clamp	Fix solar panels	High strength and corrosion resistance
Connectors	Connect various components	Improves system stability and reliability
Bases	Support the entire system	Aluminum alloy with corrosion resistance
Aluminum nuts	Fix various components	High strength and corrosion resistance

Product Documentation

Manufacturer Profile

Foshan Xuanqing specializes in manufacturing aluminum accessories for photovoltaic systems, including custom mid clamps and side clamps. Our 4500 square meter production facility features:

- 13 automatic production lines
- 3 standard production lines
- 36 stamping equipment units

We offer comprehensive services including product design, sampling, and production based on customer specifications. Our independent mold-making capabilities ensure fast turnaround, high precision, and short production cycles.
