

Aluminum Solar Panel Rail Clamps For Trapezoidal Profile Mini Rail System

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Model Number: Roof Clamp, carport clamp, ground brackets clamp
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: TT
- Supply Ability: 3000000pcs/mon

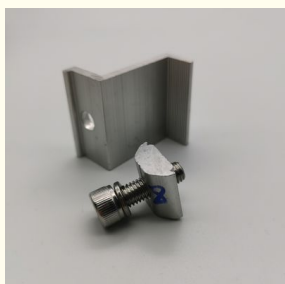

Product Specification

- Warranty: 1 Year
- After-sale Service: Online Technical Support
- Project Solution Capability: Graphic Design, Cross Categories Consolidation
- Application: Apartment
- Design Style: Modern
- Type: Solar Panel Mounting Aluminum Rail Connector
- Highlight: Aluminum Solar Rail Clamps, Trapezoidal Profile Solar Panel Rail Clamps, Mini Rail System Solar Rail Clamps

Product Description

Aluminum Solar Panel Rail Clamps For Trapezoidal Profile Mini Rail System

The Solar Panel Mounting Aluminum Rail Connector for Trapezoidal Profile Mini Rail System is a crucial component in solar panel installations. Made of high-quality aluminum, this connector securely joins aluminum rails of the mini rail system, ensuring stable and reliable mounting for solar panels. The trapezoidal profile provides added strength and stability.

Product Specifications

| Attribute | Value |
|-----------------------------|--|
| Warranty | 1 Year |
| After-sale Service | Online technical support |
| Project Solution Capability | Graphic design, Cross Categories Consolidation |
| Application | Apartment |
| Design Style | Modern |
| Type | Solar Panel Mounting Aluminum Rail Connector |

Key Features

- Material: High-quality aluminum
- Function: Secure connector for solar panel mounting rails
- Profile: Trapezoidal for enhanced strength
- Advantage: Durable construction, secure connection
- Application: Ideal for mini rail systems in solar panel installations
- Customization: Support for mold customization

Component Specifications

| Accessory | Function | Features |
|---------------|------------------------------|---|
| Rail | Support and fix solar panels | High strength and corrosion resistance |
| Mid clamp | Connect and fix solar panels | Aluminum alloy construction for stability |
| Solar clamp | Fix solar panels | High strength and corrosion resistance |
| Connectors | Connect various components | Improves system stability and reliability |
| Bases | Support the entire system | Aluminum alloy and corrosion-resistant |
| Aluminum nuts | Fix various components | High strength and corrosion resistance |

Company Profile

Foshan Xuanqing specializes in manufacturing aluminum accessories for photovoltaic systems, offering custom mold production for components like mid clamps and side clamps.

Our 4,500 square meter production facility features:

- 13 automatic production lines
- 3 standard production lines
- 36 stamping equipment units

We provide comprehensive services including product design, sampling, and production based on customer specifications, with rapid mold development capabilities ensuring high precision and short production cycles.
