

Durable Aluminum Frame Solar Rail Clamps For Modern Apartment PV Systems

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Model Number: Roof Clamp, carport clamp, ground brackets clamp
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: T/T
- Supply Ability: 3000000pcs/mon

Product Specification

- Warranty: 1 Year
- After-sale Service: Online Technical Support
- Project Solution Capability: Graphic Design, Cross Categories Consolidation
- Application: Apartment
- Design Style: Modern
- Type: Solar Panel Mounting Aluminum Rail Connector
- Highlight: Aluminum Frame Solar Panel Rail Clamps, PV Mounting Solar Panel Rail Clamps, Apartment Solar Rail Clamps
- Highlight: **Durable Aluminum Solar Rail Clamps, PV Systems Solar Rail Clamps, Modern Apartment Solar Rail Clamps**

Durable Aluminum Frame Solar Rail Clamps For Modern Apartment PV Systems

Product Overview

Engineered for optimal performance in contemporary apartment photovoltaic (PV) systems, these solar rail clamps feature a robust aluminum frame construction. The high-strength aluminum alloy ensures exceptional durability, resisting corrosion, oxidation, and mechanical stress to withstand diverse weather conditions.

Key Features

- High-strength aluminum alloy construction with anodized surface treatment
- Modular design for easy installation on various rail profiles
- Secure fixation minimizes vibrations and enhances structural stability
- Weather-resistant for heavy rain, snow, and intense sunlight conditions
- Lightweight yet durable design simplifies handling
- Compatible with both new installations and existing rooftop retrofits

Technical Specifications

Accessory	Function	Features
Rail	Support and fix solar panels	High strength and corrosion resistance
Mid clamp	Connect and fix solar panels	Aluminum alloy construction for stability
Solar clamp	Fix solar panels	High strength and corrosion resistance
Connectors	Connect various components	Improves system stability and reliability
Bases	Support the entire system	Aluminum alloy and corrosion-resistant
Aluminum nuts	Fix various components	High strength and corrosion resistance

Product Attributes

Warranty	1 Year
After-sale Service	Online Technical Support
Project Solution Capability	Graphic Design, Cross Categories Consolidation
Application	Apartment
Design Style	Modern
Type	Solar Panel Mounting Aluminum Rail Connector

Manufacturer Profile

Foshan Xuanqing Company specializes in manufacturing high-quality aluminum accessories for photovoltaic systems, with capabilities including custom mold production for mid clamps and side clamps.

Production Capacity: 4,500 square meter production base with 13 automatic lines, 3 standard production lines, and 36 stamping equipment.

Custom Services: Product design, sampling, and production according to customer specifications with fast mold development and short production cycles.
