Product Description

EliteRange Pro 116° Adjustable Architectural Door Hinge

Product Overview

Elevate modern spaces with the EliteRange Pro hinge, engineered for seamless function and enduring style. Crafted from aircraft-grade aluminum alloy, its robust core handles up to 100kg while enabling a 116° wide-angle swing, perfect for cabinetry, pivot doors, or room dividers.

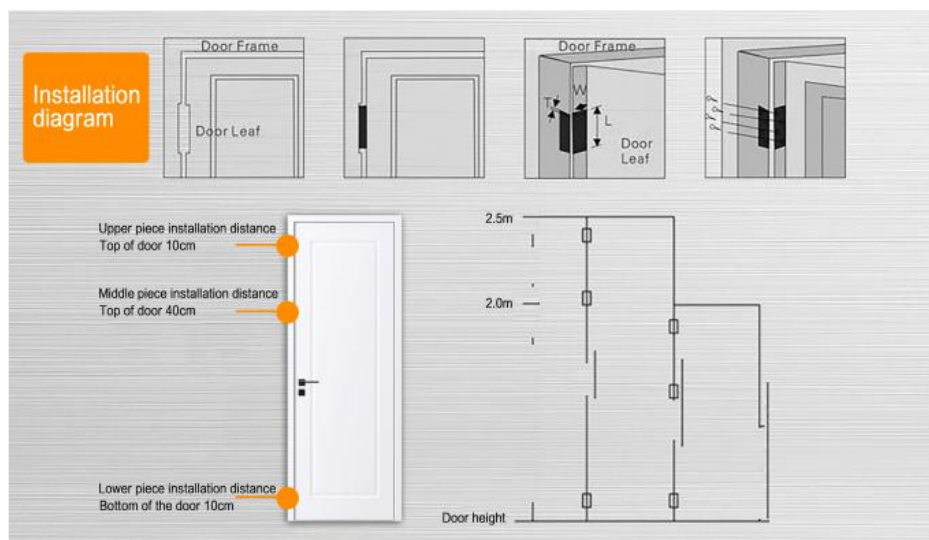

Key Features

- Triple-axis adjustability (vertical/horizontal/depth) for flawless door alignment
- Concealed stainless steel pins and zinc-plated adjustment bolts resist corrosion
- Sleek, minimalist design suitable for modern interiors
- Ideal for demanding residential or light commercial applications
