

Alumite FortiLink Mid-Column Connector Engineered for Easy and Secure Joining of Profiles Durable and for Years to Come

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: XuanQing
- Model Number: A
- Minimum Order Quantity: 500PCS
- Price: Negotiable
- Packaging Details: Carton Box
- Delivery Time: 10-15 work days
- Payment Terms: T/T
- Supply Ability: 3000000pcs/mon

Product Specification

- Warranty: 1 Year
- After-sale Service: Online Technical Support, Onsite Training, Onsite Inspection, Return And Replacement
- Project Solution Capability: Graphic Design, Total Solution For Projects
- Application: Hotel,home,office
- Design Style: Modern
- Type: N/M
- Product Name: Aluminum Corner Joint
- Usage Scenarios: Aluminum Profile Doors And Windows
- Function: Connecting The Corner Of The Door Or Window Spelling
- Feature: Durable And Solid
- Packing: Carton Box
- Surface Treatment: Optional Aluminum Surface/surface Sandblasting
- Port: Nansha Port, Yantian Port, Shekou Port

Product Description

Alumite FortiLink Mid-Column Connector Engineered for Easy and Secure Joining of Profiles Durable and for Years to Come

Description

Achieve rapid and rock-solid connections in your structural framing with the Alumite FortiLink Mid-Column Connector. Designed specifically for creating secure joints within Alumite FortiLink profiles, this connector streamlines assembly while delivering exceptional durability. Its precision engineering ensures profiles lock together easily and remain securely fastened, providing a stable connection point precisely where you need it in the column. Built from robust materials to withstand demanding industrial and commercial environments, the FortiLink Mid-Column Connector guarantees years of reliable service and structural integrity. Simplify your builds and ensure long-lasting performance with this essential connection solution.

Quick Details

Primary Function: Joining Alumite FortiLink profiles securely at mid-column points.

Key Benefit: Enables easy and secure profile connection.

Strength & Durability: Engineered for robustness and long-term reliability.

Performance: Ensures lasting structural integrity and joint stability.

Compatibility: Specifically designed for Alumite FortiLink Framing Systems.

Material: High-strength, corrosion-resistant aluminum alloy (Anodized).

Application: Ideal for Industrial Framing, Machine Guards, Workstations, Shelving Structures, and Commercial Displays.

Lifespan: Engineered for years of dependable service.

Use Case: Essential for creating strong, easy-to-install mid-span connections within column assemblies.

Specification

| Product Details | Information |
|-----------------|---|
| Product Name | Middle column connector |
| Applications | Used for all kinds of aluminum or UPVC casement, swing sliding windows or doors, French doors and windows, hinged doors and windows |
| Material | 6063T5 primary aluminum |
| Color | Silver |
| Payment Method | 30% T/T deposit in advanced, 70% T/T balance before shipment. |
| Services | OEM, ODM services are available. Free samples are available. |
| Delivery time | Usually within 25 days |
| Packaging | 1. No special requirements, 500pcs/carton. 2. Or according to customer's requirement. |
| Special Feature | The bottom of the corner code rises up to both sides while the screws are tightened, thus achieving stability. |

Support customization of molds.

Product Parameters

Packing and Delivery

No special requirements for packaging, 500 pieces in a box.
If there are other requirements, packaging can be done according to customer requirements.

Company profile

Foshan Xuanqing Door and Window Accessories Co., Ltd. is a manufacturer of door and window accessories aluminum corner code customization, research, development, manufacturing, sales as one of the innovative enterprises in science and technology, our products are: 1, one expansion injection corner code, 2, center column injection corner code, 3, pin injection corner code, 4, bump corner injection corner code, 5, very narrow corner code, 6, non-injection corner code, 7, movable corner code, universal corner code, 8, Anti-fall device, 9, elevator, 10, hinge, 11, curtain wall pendant and more than ten types of products. With the development and innovation of the market, in order to meet the market system window and door profile structure, we provide support for mold customization, one-stop solutions, Xuanqing angle code for ten years as one day, has been in the door and window accessories industry deep plowing, professional, focused, dedicated. The company has always

taken "integrity management, win-win cooperation" as the development concept, the pursuit of quality, innovation, focus on investment, the company has more than twenty patented products, a number of products through the national standard aluminum and quality supervision and inspection. In addition to meet the domestic market demand, we also export to some European, American and other countries, are recognized. Xuanqing doors and windows accessories ten years focus on engineering - system doors and windows aluminum angle code support mold customization to provide you with one-stop solution services.
